How to Enter

1. To enter, log into your "Station Account" located in the upper right corner on any one of the Participating Websites, and click on "Game Center" to play the "Featured Game of the Month" specifically identified on the Game Center page. Participants will need to login to an existing Station Account or register for a Station Account to play and enter. It is free to register for a Station Account. Register for a Station Account by entering your first and last name, email address, and screen name. Existing valid Station Accounts will be automatically eligible and entered into the Contest once the participant logs in and begins playing the Featured Game of the Month. The Featured Game of the Month will change monthly and will be identified at the top of the Game Center page on each Participating Website.
2. The first day during the respective month that a Participant "completely played" the Featured Game of the Month, the Participant will receive one (1) entry eligible for the Monthly First Prize and the Monthly Second Prize drawing for the respective month. Each additional day during the respective month that a Participant "completely played" the "Featured Game of the Month", the Participant will receive one (1) additional entry valid only for the Monthly First Prize drawing. A Participant will be deemed to have "completely played" the Featured Game of the Month by playing the entire Featured Game of the Month and earning a recorded score. A Participant's score will not increase his/her chance of winning.

Use of any automated system to participate is prohibited and will result in disqualification. In the event of a dispute as to any registration or play, the authorized account holder of the email address used to register for the Station Account will be deemed to be the Participant. The "authorized account holder" is the natural person assigned an email address by an Internet access provider, online service provider or other organization responsible for assigning email addresses for the domain associated with the submitted address. Potential winners may be required to show proof of being the authorized account holder.
